

# Locals Give Back

www.utahlocalsgiveback.com

## How it works:

- **PLAN:** Determine your fundraising dates. We suggest firm start and end dates with a 2-3 week sale. You'll also want to plan for an additional 1-2 weeks for product delivery.
- **SELL:** If possible, schedule a meeting to distribute brochures, order forms and discuss selling tips (hint: great local products at great prices!).
- **ORDER:** When your fundraising is over, collect all of the order forms and calculate the totals from all of the forms. Place the totals in our convenient "Locals Give Back" order form.
- **DISTRIBUTE:** Within two weeks your order will be ready for pick up. Organize a final meeting with your sellers to give them the products. Encourage them to deliver them as soon as possible.

**CONTACT US:** We'll set up a time to go over the program, answer your questions and deliver your support materials.

**Phone: 801-657-0183 (Linnaea "Lynn-A-Uh")**

**NOTE:** Payment is due at time of order and will be processed once payment is complete. A \$35 fee will be assessed for returned checks.
